

Match Move and Roto Lead (Commercials)

Global VFX giant MPC is looking for hot- shot VFX professionals to be part of its Bangalore studio, for both Films and Commercials.

If you want to be part of a team that has credits on films like Harry Potter and the Deathly Hallows part I (nominated Best Visual Effects at the recently concluded 2010 Oscars), Poseidon (nominated for the 2006 Oscars for Best Visual Effects), Narnia, Pirates of the Caribbean, Watchmen, Prince of Persia, Percy Jackson and the Olympians and many, many more, as well as instrumental in such contemporary classics like VES Award winning Cadbury's Spots V Stripes, Cadbury's Gorilla Moments, Sony Bravia's Paint, Audi's Beauty and the Beast & Evian's Skating Babies, send your CVs and show reels to hr-bglr@moving-picture.com, specifying in the subject line the position applied for.

Match Move and Roto Lead Profile :

- Experience in leading teams is essential.
- Responsible for delivery of Roto and Match Move Team's work and schedules, as well as the resolution of Technical and Creative Issues.
- Will participate in and run meetings, reviews, and planning as part of effective communication with the team.
- Will have to inspire, motivate, and mentor other artists in best practices, processes, and procedures.
- Hands on expertise in Boujou & Maya. Some experience of 3D Equalizer and knowledge of Roto desirable.

You can also send hard copy resumes and reels at :

MPC,
